CONTINENTAL BED

Minimalist

If you're looking for a bed that not only looks great but also saves space, the Bergen bed is an excellent choice. Here are some additional points to consider:

- The built-in mattress means you don't have to worry about finding a separate mattress that fits the bed properly.
- The two side storage containers are perfect for storing extra linens, clothing, or anything else you need to keep close at hand.
- The headboard's decorative frame adds a touch of elegance to the bed, while the solid wood legs provide stability and durability.
- The Bergen bed is available in a variety of sizes to suit your needs, from twin to king.
- Assembly is easy and straightforward, so you can have your new bed set up in no time.

Overall, the Bergen bed is a smart and stylish choice for anyone looking to maximize their bedroom space without sacrificing comfort or design.
